<p>Worship</p>	<p>Our Value for this week has been TRUST. We talked about who we try and why we trust them, how we can be trustworthy and how we can trust in God. On Thursday, Mary talked to us about Mary Jones. She saved up for a Bible for six years and then walked for 28 miles to buy it! The Bible Society was started because of her journey and her desire for a Bible. Please continue to join us every Friday for our Celebration Assembly at 9.30am (password on a previous email—if you need it). https://us04web.zoom.us/j/77135013761?pwd=M1FucjFIOC9wUGJQQ2Q4dWhTzTFCdz09</p>

<p>Bags to School</p>	<p>Thank you to everyone who brought bags of clothes to school on Wednesday. We will let you know how much you have raised, once we have been informed.</p>
<p>Clothes</p>	<p>You may have seen, on the news, about the importance of ventilation to limit the spread of COVID 19 when indoors. This does mean that, in line with our risk assessment, all our windows and some doors remain open throughout the day. This will be the case throughout Winter (until we are informed otherwise), so please ensure your child wears suitable clothes. They should continue to wear school uniform and PE clothes on PE days, but may need more layers underneath. The heating will stay on, to try to maintain a comfortable temperature. Schools in the local area are seeking guidance on what happens if the temperature drops too low, but at the moment, there has been no answer.</p>
<p>Breakfast/After School Club</p>	<p>We are taking the children outside for Breakfast and After School Club whenever we can—please ensure they have suitable coats, a hat, gloves, wellington boots etc so that they stay warm.</p>
<p>Behaviour Policy</p>	<p>We have recently revised our Behaviour policy. I have attached it for you to read. It is also available on the school website.</p>
<p>Thanks!</p>	<p>A big thanks to Tim Lambert, who came on Thursday night and installed all our new paper towel holders—we really appreciate it.</p>
<p>Christmas</p>	<p>The response to the Christmas trail has been over whelming and we are having to adapt it slightly because there are so many houses involved, spread over the whole village—which is quite a distance when you have little legs. Instead of one trail there will be more shorter trails. You could choose to do as many as you like. You could even buy two maps of the same trail and have a competition within the family to finish in the quickest time. The maps will be ready during the last week of term and the trail will take place between 18th December and 1st January—you could do the trail over a series of days. The cost of each map will be £2 and instructions for how to solve the puzzle will be on the map.</p> <p>We have enough houses for the letters for the Christmas trail now— if you wanted to join in, you could still decorate part of the front of your house, as people will see it as they walk around. Otherwise, please buy a map and join in that way.</p> <p>Christmas cards can be sent within school to children who are part of the same bubble. They can be posted into a box in the classroom and will be delivered 72 hours later.</p>
<p>Upcoming Dates</p>	<p>Mon 7th Dec—closing date or nominations for Parent Governor. Wed 9th Dec— Christmas Dinner (please see information sent separately) Next years' dates have been agreed by the governors—please see attached sheet.</p>
<p>Information</p>	<p>Please see our website, Facebook group and Facebook Page for further information. https://www.silverdale.lancs.sch.uk/</p>
