ISSUE 21

Week 2

Monday	Tuesday	Wednesday	Thursday	Friday
Vegetarian Brunch	Spaghetti Bolognaise	Crispy Salmon	Beef Burger	Fish
Jacket Potato	Jacket Potato	Pizza	Jacket Potato	Pizza

Hot meal options above, served with salad—a choice of sandwiches are available daily.

From September 2021, school dinners will cost £2.45 per meal (for Nursery and Key Stage Two children)

Worship

On Monday, Emma talked about two special friends from the Bible—Jonathan and David. They trusted each other and kept promises that they made. On Thursday, back in church again, Mary told everyone the story about the friends who went on a Mission Impossible to get their friend to Jesus. They made a hole in a roof and let the man down through it. It was worth it, as Jesus healed him! Celebration Assembly is held every Friday at 9.15am, it would be lovely to see you — <https://us04web.zoom.us/j/72354688225?pwd=TDgzd2tCTmFuQTITcTFTRXBaMk81Zz09>

Stars of the Week

I can do all things through Christ who strengthens me – Philippians 4:13

Swans and Cygnets— Rose for being a super star smiley Cygnet.
Hérons— Thomas Pell for trying really hard with his handwriting.
Bitterns— Florence for great acting in the play Bitterns have written.
Harriers— Freya for always going above and beyond.

FRIENDSHIP AWARDS go to Sam, Eva and Solomon —WELL DONE!

Three weeks left!

As we head towards the end of term, I am writing this having not having to close any bubbles throughout these covid times. In school, we are all continuing to work really hard with extra cleaning, handwashing and keeping the bubbles separate inside the school building. We are trying to introduce more flexibility and move towards normal, but are desperate not to fall at the final hurdle. It would be really upsetting if the children, especially the year sixes, could not finish off their year in class, with their friends taking part in all the wonderful things we have planned for them. There has been a sudden surge again in Lancaster and Morecambe, and other surrounding areas, of bubbles, and even whole schools, having to close and children needing to self isolate.

I am sure that we can all stay open if we continue to work together, so please can I ask you to;

- Keep your child at home if they show any symptoms
- Keep your child at home if you have a positive lateral test, until you have results from a PCR test—then follow the guidelines based on the results
- Wash your hands/sanitise if you have touched things on the way to school or on the school grounds
- Drop your child off and pick your child up at the allocated times to avoid gatherings outside school
- Follow all other covid guidelines.

We can do this!!!!

Dr Doolittle

You will already be aware that we are still doing our end of year play—Dr Doolittle. We are working things out in a different way this year, but are trying to make sure that all of the children are involved. The Harriers (as normal) are taking the main acting roles and the other classes are helping with the singing and added extra parts—in their costumes. We are getting the performance videoed on Monday and ALL the children who are in school on that day will take part in the performance. The videoing will be done by Andrew Towers from Purple Videos and we are very excited to see how he cuts and pastes it all together. We will send information out about how you can purchase the DVD and the cost, once it has been filmed.

Information

Please see our website, Facebook group and Facebook Page for further information.
