### What a Year!!

It has been such a crazy year and one that I am sure many of us are ready to see the back of. I am very much looking forward to getting back to the proper "normal" we all know and love in September. It has been an incredibly hard year in school, but I am so grateful to all the staff for their dedication, their extra time and their determination to do the very best for all the children.

We say goodbye to everyone for six weeks, but for the Year 6s, we say cheerio forever! They are a great bunch and will definitely be missed around school—good luck guys!!

Now for the boring (but very important) bit - if your child becomes unwell with any COVID symptoms or if they have a positive LFT or PCR test before Monday morning, please email me - head@silverdale.lancs.sch.uk From Monday onwards, please contact NHS track and trace.

I need to say a great big thank you for all the sponsor money from the sponsored run during Sports Week. You have raised £3190. AMAZING!!!

Last but not least, thank you for all your support and kind words throughout this tricky year—they have kept us all going. Obviously we would love the children to continue with their reading and maths steps over the summer holidays, but more importantly than that, we want them to stay healthy and have fun—bags and bags of fun! Please step away from the screens, get outdoors, play games, climb trees, toast marshmallows round a fire etc etc —and do it all with your children!!! Make happy memories and have fun together.

Please remember that we break up at 2pm today (16th July). See you then!
