ISSUE 12

The dinners for next week are

Week 3

Please order meals via Mrs Taylor in the office

**Worship times—PEACE**

What a treat this week! On Wednesday the children were involved in the interview process for the new head teacher and enjoyed Worship about Peace. Rev Emma had already told us a story about Peace on Monday—where Jesus calmed the storm. She said that if we are ever worried, we should remember that God is with us and can help us find peace. We continue to focus on Worship through singing on Tuesdays and think about how God can help us make good choices as part of PSHE. We would love to see you this afternoon for our Celebration Assembly.

**This Week**

Harriers ventured out this week and visited the shore as inspiration for their poetry writing. Hopefully we will get chance to listen to some of their poems during an upcoming celebration Assembly. Bitterns welcomed a science expert in class on Monday afternoon, who talked to them about electricity and magnetism. David brought in lots of resources for the children to interact with. Once again, Herons enjoyed Forest Schools on Tuesday afternoon. This time on the school grounds. Swans and Cygnets ventured to the church Forest School clearing too.

Information about the school and dates can be found here—<https://www.silverdale.lancs.sch.uk/>

Please click on the Facebook logo to see our school's Facebook page, which is full of photos of what we've been up to.

**IMPORTANT DATES**

Wed 1st Dec	FOSS Advent Disco. Swans/Cygnets and Herons 6—6.45pm , Bitterns and Harriers 7—8pm £1 entry—please bring some extra money for the tuck shop

Tues 4th Jan	INSET day
Wed 5th Jan	Children start back for Spring Term

**Information/Reminders**

- If you have any lights that we could borrow for the Christmas disco, please send them in on Wednesday 1st December. We will get them back to you as soon as possible—please make sure they are named! Please make sure you have signed up for helping with the FOSS disco. If you haven't signed up and can help with decorating the hall, supervising the discos please contact school.
- You may have noticed a difference on the playground this morning. It has been swept, but unfortunately some of the loose playground has also been swept away, leaving a few holes. There is a plan to re-tarmac the playground, but we need to get the drains fixed first. This process is underway and will be completed as soon as possible.
- There is a Christmas Bingo at church on Friday 10th December at 6pm in the Parish room. All are welcome. £5 per family or £3 per adult.
- We have a very busy schedule for the next three weeks and we are desperate to be able to do everything we have planned. I am aware that many schools in our local area are having to cancel their Christmas events or change the way they do them, due to COVID outbreaks. We will do as much as we possibly can to keep things as we have planned, but please be aware that some arrangements may need to be changed, if we get more cases of COVID in school.

God bless, *Katie Walsh*
