Welcoming and Commissioning

For those of you who don't know, Bishop Jill Duff is a British Anglican bishop and since 2018, she has been the Bishop of Lancaster and a suffragan bishop in the Diocese of Blackburn.

The exciting news is, Bishop Jill is coming to Silverdale! Reverend Mary has invited her to do a welcoming and commissioning service for Miss Sanderson, as she starts her headship journey at Silverdale St John's.

This service will be at St John's Church on Thursday 9th June at 14:40. It would be lovely to see as many of you as possible. All the children will be with us in church, as we sing and generally celebrate the beginning of this new journey together.

Message from Miss Sanderson

I had a wonderful tour around Bleasdale School on Monday, led by the head teacher, Mrs Kairen Dexter. I was blown away by the staff, the children and the facilities there. Mrs Dexter has encouraged us to use the school as much as possible. She is keen to rekindle the strong links with school. I really feel this is such a valuable opportunity, as we are so keen at Silverdale St John's, to raise our 'cultural capital'. Cultural Capital is a term that Ofsted define as "the essential knowledge that children need to be educated citizens"

In layman's terms, it is about exposing children to a large variety of areas, arts, cultures and experiences; that will ultimately promote character-building qualities. We want to do much more with our children to ensure that we provide them with recognised and meaningful qualifications that will open up doors to paths in later life.

We are warmly welcoming children to come and visit us too, so as to raise the cultural capital at Bleasdale School. Win/win!

Church News

Reverend Mary will be made vicar on Tuesday 7th June at 19:30 in church. All welcome.

Don't forget service at 09:00, this Sunday morning. Bacon butties to follow after the service
