## **PHYSICAL EDUCATION**

## **SUBJECT VISION AND DRIVERS**

### **Subject Aims**

Physical Education aims to ensure that all pupils:

- Irrespective of their academic or physical ability, are given the opportunity to discover and develop their **physical potential** through a balanced and developmental programme of activities.
- Achieve **maximum participation**, whilst recognising the need for equal opportunities on the grounds of gender and children's specific individual needs.
- Are given the opportunity **to apply** skills, knowledge and concepts, to experiment, to be creative and imaginative and to recognise and celebrate their progression and achievement within the physical education and competition.

### **Subject Vision**

Through PE at Silverdale Saint John's Primary School, children will develop confidence in their physical abilities and physical health. Children will be taught in a well planned way which ensures progression of skills throught their time at school. PE lessons will be lively and engaging ensuring the children are always active and engaged, PE lessons should be physically demanding. At Silverdale, children will be offered regular opportunities to take part in both competitions but also to represent school in participation events. Our children will understand the need for regular excersice and will enjoy learning new skills and applying these to a range of sports and games.

Learning	Community	Faith
Children will learn the importance of excersie in keeping both physically and mentally healthy. They will be able to develop the skill of practicing at something to ghet better and it and will learn how to deal with defeat appropriately.	Secondary schools and other providers have been made to enrich the PE curriculum. Children will be given regular opportunities to represent our school through sports	

Inspiring success through learning, community and faith.

We strive to provide the Christian foundations to enable our children to make good decisions. Our children will be inspired, guided and supported to achieve success, as they are all of infinite worth. Taught through a creative curriculum, our children will become global citizens and will care for all of God's creation.

I can do all things through Christ who strengthens me. Philippians 4:13

Key Learning in Games		
Developing Skills Travelling	Attacking and Defending Strategies (Games) Applying and Linking skills – (gym/dance) Recognise and use space in a game.	Evaluating Success Not Statutory at this stage But advisable in terms of supporting children's learning.
<ul> <li>Running, hopping, skipping, galloping.</li> <li>Change direction easily i.e. dodging and swerving.</li> <li>Travelling with an object i.e. beanbag, ball, bat and ball.</li> <li>Sending</li> <li>Roll a ball underarm.</li> <li>Throw an object underarm (beanbag).</li> <li>Throw an object overarm (beanbag, ball).</li> <li>Kick a ball.</li> <li>Aiming at various targets using different equipment (beanbag, ball, quoit, shuttlecock etc.).</li> <li>Striking a ball with a bat.</li> <li>Receiving</li> <li>Trap a ball with feet.</li> <li>Catching a ball.</li> <li>Catching a ball at different heights.</li> </ul>	<ul> <li>Understand the concept of aiming and the need for accuracy.</li> <li>Use a feint to try and win a net type game.</li> <li>Throw or hit an object into space to make it more difficult for their opponents.</li> <li>Invasion type game – understand to pass the ball to a person in space (Y2).</li> <li>Net and striking and fielding games – look for space to throw, hit or run into to help them score. Understand why they need to throw or hit into space.</li> </ul>	<ul> <li>Examples include:</li> <li>Describe what they have done or seen others doing. <i>i.e. opposite foot forward to throwing arm.</i></li> <li>Copy actions and ideas and use the information they collect to improve their skills.</li> </ul>

### **Other Key Learning**

• Knows the lesson begins with a warm up & ends with cool down.

- Describe how their heart is beating, and their breathing is normal /puffed at different times in the lesson.
- Understand and describe changes to their heart rate when playing different type games.
- Recognise risks when handling and placing large apparatus.
- Begin to understand basic principles of working with a partner or group.
- Explain why running and playing games is good for them.

The children should engage in competitive (both against self and against others) and co-operative physical activities, in a range of increasingly challenging situations.
