# **PRIORITY 1**

## **RE and Worship**

**To ensure that the school's distinctive Christian vision is established and promoted at all levels to enable our children, adults and the community we serve, to flourish.**

Leaders accurately evaluate the effectiveness of St John's as a Church school and drive further positive change. Leaders understand their local context. A strong desire to engage with their local community broadens experiences and relationships and promotes flourishing.

Dedicated and inspirational leadership underpins a deeply rooted Christian vision that permeates the whole school community.

Staff are overwhelmingly supportive and appreciative of each other, resulting in a strong and effective team. Appropriate training facilitates their professional development. This also enables adults to gain new skills for the benefit of pupils which boosts self-esteem and promotes confidence.
